SIERRA COINS LIST #4

Once again, our sincere appreciation for the overwhelming support you have shown us. The Latin American colonial issues in List #3 proved to be extremely popular and all the other consignment groups did equally well. In this, our fourth list, we have decided to offer selections from our regular stock of Latin American minors as well as Latin American and world crowns.

* * * * * * * * * * A VERY IMPORTANT NOTE * * * * * * * * * * * *

Due to our scheduled trip to New York for the International Show December 9th through 11th at the Americana Hotel, and another quick business trip following the show, our offices will be closed from December 7th through the 17th. However, our mail will be picked up during that time and we have a most efficient answering service to take phone orders. Upon our return, orders will be filled consecutively by post mark or date of phone call. Just give the answering service the lot numbers you would like to have and your telephone number in case we have any questions regarding your order.

* *

As this is our final list of the year, we would like to take this opportunity to wish you all a wonderful holiday season and to thank you again for making 1978 a highly successful first year for Sierra Coins. We'll look forward to seeing those of you who plan to attend the New York International Show and hope you will stop by our table to say hello. And for those of you whom we will not have the opportunity to see in person, Happy Holidays and Happy New Year.
